

BUZZERS ACADEMIES

Newsletter Spring 2020

Welcome to all our amazing Buzzers parents!

With all the madness that's happening in the world right now, I hope this newsletter will bring a little bit of positivity to your day and hopefully inspire you and your family to stay active at home.

A brief history of Buzzers Academies...

Buzzers is a trading name of our hugely successful PE teaching business, TEACHSPORT. A lot of our Buzzers Academies are based within schools where our staff teach. The first ever Buzzers Academy was held in the summer of 2007 at our Bromley venue (for those who can remember, back then it was based at the Cricket Club). A mere 10 children were present for the entire 6 weeks provision! As they say, "from small acorns...", well 13 years on and we now have just under 8,500 different children on our database, with 23 amazing venues operating across the country. We have also given work to over 120 tutors! We are HUGELY proud of the progress we have made at Buzzers and can't wait to see it grow bigger and better in the years to come.

*Our aim is to offer **Affordable, Reliable and Active** childcare!*

Who's Who at Buzzers...

MATT WALKER - the founder of Buzzers Academies and the Director of Buzzers Bromley. He has 12 years' experience of teaching PE in primary and secondary schools, as well as running sessions for Home Educated children, local charities, SEN specialist groups, birthday parties and Saturday Clubs.

GRETE BARZDENYTE - the face of our 'Bromley' Academy for the past 4 years. The line "Will Grete be there?" is a common heard thing from parents these days! Grete was born in Lithuania and is a highly talented Boxer. Her full-time role with Teachsport sees her teach PE at Clare House Primary School 4 days a week.

At home with buzzers...

Don't let this current pandemic stop you from being active at home. You and your child can play together with our simple but competitive games. Check out our Facebook page for several game ideas which can be played both indoors and in the garden.

Don't have any sports equipment at home? Simply improvise! Here is a 2-player game that can be played using *rolled up socks, plates and cushions*.

Each player sits on a cushion and is given 3 sets of rolled up socks. Number each plate 1 to 4. Players take it in turns to throw their socks on to the plates. The player with the highest number of points, wins.
