All sessions will be tailored to ensure maximum participation in a FUN and SAFE environment and will be suitable for children of all physical abilities and sporting interests.

Our experienced tutors can cover over 20 different sports, all with their own learning '*objective*' and '*outcome*'. They will also ensure that all children make new friends, try something new each session and have their say on what they learn. The aim of this programme is to give every child the opportunity to express themselves using sport as a learning tool.
